SUBJECT: 2012 Export List – Miscellaneous Errors & Omissions or Professional Liability Coverage

Since the recent publishing of [Pennsylvania's Export List](#) of insurance coverage's or risks eligible for export we have received some inquiries and have noted filing errors with regard to the use of the "Miscellaneous Errors & Omissions or Professional Liability" kind of coverage. We would like to bring to your attention the fact that there are exclusions to utilizing this kind of coverage.

Exclusions to the Miscellaneous Errors & Omissions or Professional Liability 1604-E (Export) filing type are as follows:

- Architects and Engineers
- Medical Malpractice
- Lawyers
- Personnel Agencies
- Travel Agents
- Real Estate Brokers
- Insurance Agents and Brokers

If this kind of coverage is selected for a coverage that is excluded it will be returned for correction and proper filing.

We trust that this explanation will be helpful.
